

“Unless we actually find a means of change to deal with the complexity we’re in...we’re stuck between the hard choice of centralist populist ideas or actually really investing in democratizing the the capacity for people to change society....

"Unless we actually find a means of change to deal with the complexity we're in...we're stuck between the hard choice of centralist populist ideas or actually really investing in democratizing the the capacity for people to change society....

"So if we want to drive change, we're going to have to build a new organizational model. And that requires us to build an architecture of large conversations."
